

Storyboard - Portfolio Website

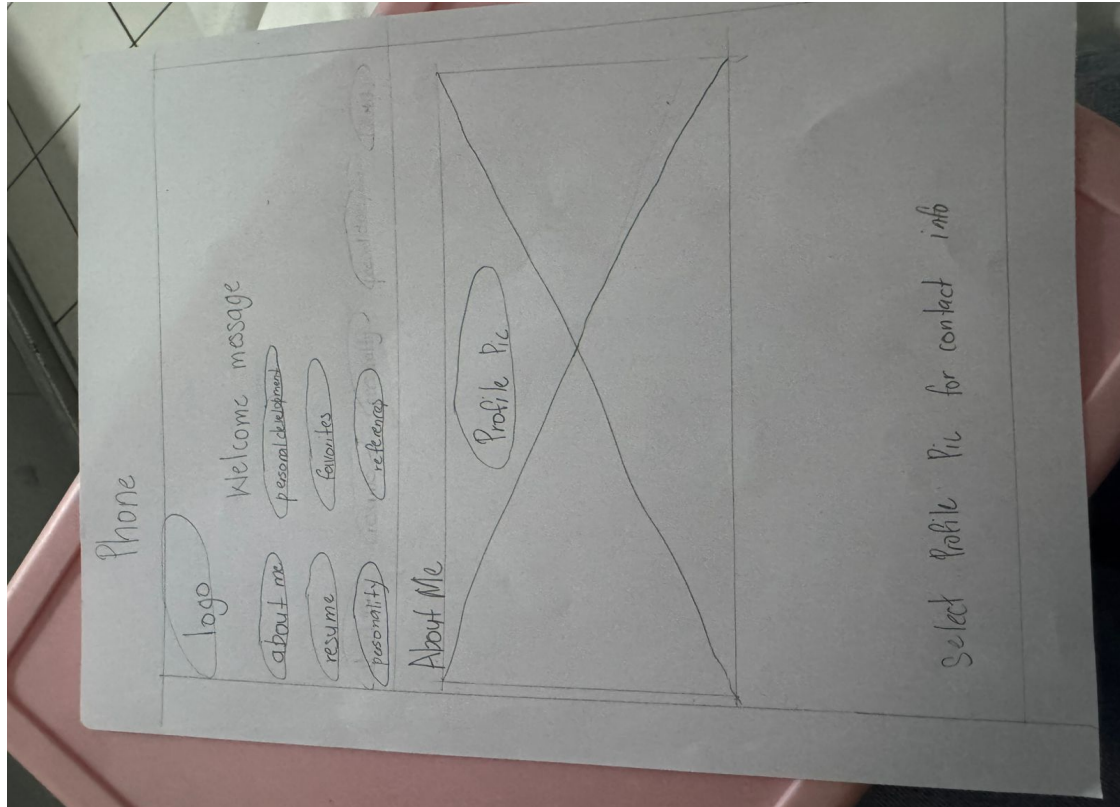

Horacecia Pottinger
Student ID: 2111225

1. Desktop Layout (Minimum Width: 950px)

The desktop layout is designed for screens with a minimum width of 950px. It includes a header, navigation, main content, profile image, and footer.

2. Mobile Layout (Minimum Width: 600px)

The mobile layout stacks the content vertically for easier viewing on smaller screens while maintaining the same structure.

3. Colour Palette

Colour palette used throughout the website.

4. Icons and Dimensions

Logo: logo.png (90–110px)

Profile Picture: pic.jpeg (180×180px)

5. Typography

Font Family: Arial, Helvetica, sans-serif

Root Font Weight: 400

Heading Weight: 700

Border Radius: 12px

6. GitHub Repository

Add your GitHub repository URL after uploading the project.

7. Free Hosting Link

Add your GitHub Pages URL after publishing the website.

8. APA References

Use the same APA references included on your References page.
